Dedication

Gideon L. Nadeau, Sr.
04/13/50-09/02/15

"Be bold enough to live life on your terms, and never, ever apologize for it. Go against the grain, refuse to conform, take the road less traveled instead of the well-beaten path. Laugh in the face of adversity, and leap before you look. Dance as though EVERYBODY is watching. March to the beat of your own drummer. And stubbornly refuse to fit in."

-Mandy Hale-

Gideon L. Nadeau, Sr. was a dedicated resident and public servant for the Town of Troy.

This inspirational quotation could have been written for him and about him.

In putting this dedication together we have read over many letters, statements and testimonials from former Selectmen of both Troy and Fitzwilliam, Board heads, Commanders in the Army/Army Reserves and Superiors in the Department of Defense regarding his many accomplishments as a public servant, businessman, soldier and person in general.

Since the 1970's Gideon participated in many committees and boards with the Town of Troy.

Town Budget Committee
Planning Board - over 15 yrs.
Planning Board Chairman - over 5 yrs.
Chairman Youth Study Committee
Chairman of Annual Art's Festival
American Legion Head of Memorial Services
Member of Industrial Development Committee
Zoning Board
Scout Master and Committee member
Board of Selectman- on second 3 yr. term when he passed

Gideon's ability to lead others, to get them involved, direct them to sensible decisions and to recognize and solve problems were some of his strongest traits.

Years ago he was able to expand the youth program from 8 weeks a year to a year round scheduled program that involved a large percentage of the town's youth. With the help of Gary Jardine and other volunteers he started the first roller skating program that raised over \$30,000.00 towards building what is now known as the Samuel E. Paul Community Center. He refused to release those funds until the building was suitable enough to hold functions and not just a snack shack. Fortunately, he lived long enough to fulfill his dream thanks to the huge donation from Peter Paul in memory of his Father and longtime town doctor. As a side note, Gideon's birth certificate shows Dr. Samuel E. Paul was the doctor who delivered him at home in Marlborough.

Gid united people to work together, to give of their time and to accomplish painting the Town Hall for the Bicentennial, organizing the roast beef dinner to fix the heating table at the Samuel E. Paul Community Center and organized the town employees & committees' picnics, at no expense to the tax payers in his time as a Selectman. Gideon loved this town, the people and the employees with a passion. He really never had any agenda other than to try to keep the taxes down, get some of the much needed projects accomplished, to listen to everyone who called or stopped him, whether he agreed or not, and to try and make a difference. He was the go to guy for the employees and felt that you treat them right and they would do their jobs over and above. "A happy employee is a good employee" was his motto. He took his duties as Selectman very responsibly because he represented his fellow citizens and was the voice of reason that every town needs to have at some point.

Even though Gideon was vilified and called names by some, he was praised by others in the town and local newspaper because he felt it was in the best interest of the townspeople to open up and let EVERYONE know what was really going on with the Troy Mill issue. He never wavered or backed down from his conviction of "What is right is right and what is wrong is wrong".

One former Selectman noted that "Gideon was an active man who continually strived to improve his knowledge and was active in the betterment of programs for all the townspeople." It was also noted that "he was available to any type of emergency and donated both his time and energy to any town project that came up."

While the town and its committees were a large part of Gideon's life, he wore more hats than most people do in a life time, sometimes all at the same time, receiving praise from both his co-workers and superiors.

Over the years, up until the end, he was involved in some business venture or another. Gid's Garage, Tamarack Farm, Grain and Garden Supplies, Troy Country Store, U-Haul Rep., Gid's Plowing and Sanding Services and last but not least, Gid's Handyman Services.

He served in the Army and Army reserves, with honor, for 32 yrs. and 28 yrs. with the Dept. of Defense. At one point he drove from Troy every day back and forth to Ft. Devens, Mass. This was after milking his 29 cows and taking care of his other animals including horses. After his day was done he came home to do it all over again.

He served as a Shop leader to over 25 mechanics and finished out those years as the Unit Administrator, at the Reserve Center in Keene, overseeing over 160 other Reservists' files, pay and all their benefits, programs, problems etc. He was pointed out to be a "highly effective and skillful Instructor".

"His initiative, leadership, dependability, perseverance and the ability to communicate effectively with subordinates and supervisors" was noted more than once. "He was able to communicate to individuals or large gatherings with ease and clarity."

When he retired from the service and his civil service jobs, on the same day because he turned 60 yrs. old, he received plaques and mugs stating he was the best UA and Sgt. First Class that they ever had. His fellow Reservists called him Ole' Crusty, Gramps and Sarge, but, they also knew that he treated everyone equal and if they messed up they were held accountable for it.

If nothing else is ever said about Gideon L. Nadeau, Sr., it would be, he was hardworking, strong willed, felt that "one hand washed the other", a handshake sealed the deal and that he was a great friend, neighbor and husband. He was a workaholic, honest, funny, caring and had a warm heart for all animals and most people alike.

Dedication

IN Loving Memory of
Margaret E. Heald

December 15, 1934-January 27, 2015

Margaret was well known in this town for her many years of work for the Senior Citizens group that hosted a delicious breakfast on the first Saturday of every month. She was the first face you would see when you walked in the door at Kimball Hall. She was the lady that took your money with a smile and a good word, and she was the last face you would see when you left, also with a smile and "thank you for coming; hope you enjoyed the meal and the fellowship; and that you are well satisfied."

As supervisor of the checklist for many years; Margaret was also the first face you would see when you walked in to vote for your candidate of choice at the polling station. She also did that with a smile and a good word. She was a large supporter of the town and her church, The Trinitarian Congregational Church

These are the things everyone in town knew about Margaret; but there are things you may not have known. She was married to her husband Ralph (whom you also see working the polls as well as working in the town hall) for 60 years. She had five children, three boys, two girls. She was so proud of them and her nine grandchildren and three great great-grandchildren. For her, family was the most important part of her life. If there was any type of function going on with them, she was there with laughter and love.

she played steel drums; and loved every minute of it; but not just for the music; but for the fellowship with other people who had the same interest. She was a great friend who would be there for you thru thick and thin. She would sing your praises to everyone, but was very humble when it came to herself.

She never learned to drive, so when she would get a call, saying "I'm going here today; would you like to go?" Her answer would most always be, "give me a few minutes to change my clothes and I'll be ready by the time you get here." She loved to shop, but mostly because she loved the social part of the adventure; not only with the person she was shopping with; but she would most always run in to someone she knew, either from the town or from NGM Insurance Co. where she worked for 35 yrs. No one could ever say that Margaret Heald couldn't stick to something.

For me, the writer of this dedication; she was my shopping buddy, my dearest friend; my cheerleader; my councilor. For many things she was the "wind beneath my wings;" and I shall always miss her and I will always hold a special place in my heart for Margaret E. Heald. The people of the town may miss her at the Senior center and the polls, as well as the common where she either worked a table for the seniors or for her church; and I shall also miss her for those reasons; but most of all I miss her for loyal friendship.

Board of Selectmen

The Selectmen's office would like to say that with the passing of longtime town resident Margaret Heald (January 2015) and Selectman Gideon Nadeau (September 2015), the Town has lost two dedicated and caring individuals and they are surely missed.

2015 was a year of transition in the Selectmen's office. We are all aware of the act of betrayal by a long time town employee which was the cause of this transition. Even with this sad act there were several individuals that stepped up to keep the Town running in some sort of order. The Selectmen's office would like to thank those individuals.

A big thank you to all of our volunteers who serve on Boards, Committees or helped with the painting of the Town Hall. A special thank you to Marcia and Gideon Nadeau for spearheading this project. Like always, there are opening on boards and committees and I urge you all to get involved. If you are interested in serving, please contact the Selectmen's office.

It was an honor for me to be elected to the Select Board and to have worked with Tom, Gideon and now Allan Bailey. During this time the Selectmen hired Alissa Fox as the Administrative Assistant/Welfare Officer.

This past year the Selectmen have worked very hard to help make it possible for home owners who were in arears with property taxes to be able to keep their property. We also appointed a new Troy Redevelopment Group which has since been dissolved through the filing of bankruptcy. The Selectmen have elected to eliminate the PA-28 Inventory of Taxable Property forms effective for 2016. Our road agent (Jim Dicey) is in the process of working with the Department of Environmental Services to obtain a permit to dredge the beach area at the Samuel Paul Recreational Center. The dredging will be completed at no cost to tax payers as the funds are being given by Peter Paul in the amount of \$25,000.00.

We have seen our tax rate drop from \$35.10 per thousand to \$32.11 per thousand. The Selectmen are asking that we be frugal with our spending in order to help maintain a lower tax rate. While I am on the subject of a lower tax rate, I would urge everyone to vote for the default budget for the School Department this year.

Respectfully submitted
Howard M. Sheats, Jr.
Chairman

TOWN TREASURER

The Town of Troy is in fairly good financial condition. The town ended 2015 with an 8% surplus retention. We have three long-term debts. The Town receives 20% back each year on the landfill long-term debt, 30% on the Sewer Upgrade and 30% on the Water upgrade. Our general fund balance (cash-on-hand) this year ended with a small decrease from 2014.

We have three outstanding bonds, Landfill until 2020, Sewer Upgrade until 2027 and Water Upgrade until 2029.

We have two lease/purchases, (1) for the Police Cruiser until 2017 and (1) for the Highway Dept. Dump Truck until 2019.

The town funded the Capital Reserve Funds this year for the Fire, Highway, Highway & Streets, Police Dept., and Reassessment. We also funded the Expendable Trust Fund for General Government Buildings, and Samuel E Paul War Memorial. We have a Special Revenue Fund for the Troy Transfer Station/Recycling which is funded by the sale of bags, CD dumpster fees and the sale of recyclables. This fund purchases the bags, equipment, doing any renovations and a portion is used against the landfill long-term debt.

The Town did not have to borrow any money this year in lieu of receiving taxes.

The Monadnock Regional School District portion of the tax rate decreased this year due to surplus that was applied against their appropriation.

The Cheshire County net appropriation came in slightly lower than 2014 due to the lowering of the equalization valuation.

We had an decrease in the town portion of the tax rate due to an increase of revenues and using \$125,000 in surplus.

Respectfully Submitted,
Janet L. McCullough, Treasurer

Article 2 - Zoning Amendments

1. Are you in favor of the adoption of Amendment #1 as proposed by the Planning Board for the Troy Zoning Ordinance?

To Amend Article XXI - Definitions, as follows: #32 Non-Conforming uses- Means an existing building, use or lot that was lawful at the time of the adoption, revision or amendment of this ordinance, but does not conform to the present requirements of the zoning district in which it is located.

Specifically it means:

- a. A building or structure that does not meet the setback requirements of the district.
- b. A use that is not permitted in the district.
- c. A lot that does not meet either the lot size, dimension and/or frontage requirements of the district.

The nonconformiity may be related to any one of the above, or any combination thereof. Having one particular non-comformity does not render the entire property non-conforming. The relevant provisions of Article XIII shall apply to the particular circumstances of the property.

The purpose of this amendment is to better define the three different types of non-conformities and clarify that a property may contain a single or multiple non-conformity.

- 2 Are you in favor of the adoption of Amendment #2 as proposed by the Planning Board for the Troy Zoning Ordinance?

To Amend Article XIII,C2. as follows: C. Non-Conforming Lots of Record (Grandfather Clause)

2. Any non-conforming lot may be enlarged, even though the enlargement does not make the lot conforming.

The purpose of this amendment is to clarify that any non-conforming lot not only vacant lots, may be enlarged without needing to meet the current lot size for the district.

Cemetery Trustees Annual Report

2015 was a quiet year for the cemetery activities. The late spring shortened the time available to get the cemeteries looking good by Memorial Day, but as usual Skip was able to pull it all together and the grounds were looking as good as ever.

There were only two additional lot sold during the year.

As a result of the approval of an appropriation at the 2015 town meeting all of the direct maintenance of cemetery lots is now covered by perpetual care funds.

There were no major projects conducted during the year, but we are working to transfer the allowable amount of funds from the perpetual care trust fund account to the expendable care trust fund which will give us access to funds needed for major expenses without the use of tax dollars.

Ralph Heald
Chairman, Cemetery Trustees

Emergency Management

The Troy emergency Management was busy finishing and starting grant projects this year.

We finished with the Barrett Street project and have a nice grass conservation area at the end of the road now. The town is in the final phases of getting a full reimbursement of funds expended on the project and closing it out. Neil has submitted a grant to FEMA for the school district that will enhance the response of emergency services when a problem arises. We have attended monthly meeting and training season in the area to better prepare the town and the surrounding area. Below are pictures of the Barrett St. project with the fire department doing some training, prior to the building being burned and a completed project with area covered in grass.

FIRE DEPARTMENT

In 2015 the Fire Department responded to 229 calls for service, up by 146 calls from the previous year.

Calls for Service

Motor Vehicle Accidents/Fire.....	17	EMS/Public Assistance.....	35
Automatic Fire Alarm.....	7	Hazmat/Gas Leak.....	4
Brush Fire.....	12	Mutual Aid.....	125
Carbon Monoxide Detector	4	Structure Fire	4
Chimney Fire.....	3	Other.....	6
Electrical Fire/Problem.....	12	Total.....	229

The Department would like to thank all of the men and women that dedicate a tremendous amount of time throughout the year, to training and maintaining the equipment and the apparatus so it is ready for whatever they may face at the next call. In 2015 the Fire Department purchased a few hose fittings , new nozzle,2 Altair four gas meters,2 four inch hydrant valves, 4 ladder belts, 1000 ft. of four inch hose and two class A uniforms. Due to the high volume of calls the department was not able to purchase some of the items that need to be replaced so we could stay within our budget.

The Fire Department purchased a 2001 HME 75' Ladder truck with funds appropriated by capital reserve from New England Fire Equipment and Apparatus. The truck was completely repainted and lettered and a ladder and pump certification was done and other miscellaneous items repaired. The department would like to thank everyone for the time spent searching for a ladder truck that would fit our needs and price range. The department would like to thank Chief Huntoon, Deputy Carter, Captain Hebert, Firefighter Holman and Firefighter Huntoon for taking the time to go to Connecticut to look at the truck and to go back to pick it up when it was ready.

The Department does a quarterly training with Fitzwilliam, Richmond and Royalston that is put on by FETC fire training, the cost is split by the four towns.

The Department signed a mutual aid assist agreement with Fitzwilliam Fire to help each town with the low personnel volume especially during the day time, the departments are toned at the same time for fire calls and Troy is toned on a re-tone to assist the Fitzwilliam Ambulance.

The Department has 25 firefighters right now, which is up from last from years if you are interested please stop by or contact one of us to have a look around the fire house and ask any questions.

I would like to thank all of the men and women for all of their time throughout the year whether it is day or night to respond to calls, training and all of the other nights of meetings and maintance on the building and all Department owned equipment. It has been a pleasure working with everyone over the past year.

Forest Fire Suppression

The Forestry Division responded to ten forestry related calls in Troy and eight mutual aid forestry calls (Richmond four calls, Keene one call, Roxbury one call, Winchendon one call and Athol one call) throughout the 2015 year.

The Forestry Division would like to thank the Deputy Wardens and all of the fire fighters for their help and hard work through the year.

The Forestry Division received a 50/50 grant threw the Division of Forest and Lands. The items that were purchased thru the grant where one 1 ½ " high pressure pump, 4 wildland shirts, 4 wildland nomex pants, 7 pair wildland gloves, 2 combination tools and 2 fire rake cutting tools.

If you obtain a seasonal fire permit or a permit for the day please check the fire danger rating for the day at nhdfl.org and if the danger is a class three or higher we would request that you not burn. Failing to totally extinguish any fire before leaving it makes you liable for any cost that may accrue from it.

You may obtain a fire permit from

Forest Fire Warden

Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands, work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. The ability to obtain fire permits on line was initiated in 2015. Approximately 120 towns participated in the online system with over 4,000 permits issued. To obtain a permit on line visit www.nhfirepermit.com. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 603-271-3503 or www.des.nh.gov for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdfi.org.

This past fire season burned **661 acres** which was the most recorded since 1989 when 629 acres burned. The fire season began in early April with the first reported fire occurring on April 8th. The largest fire was the 275 acre Bayle Mountain fire in Ossipee. This fire started on May 5th and burned for several days. The Bayle Mt. fire was also the largest individual fire in NH in over 25 years. There were also a number of other sizable fires in May which definitely kept NH's wildland firefighting resources stretched to the limit. These larger fires increased the average wildland fire size to 5.12 acres. As usual our higher fire danger days correlated well with the days that there were fires actually reported. The statewide system of 16 fire lookout towers continues to operate on Class III or higher fire danger days. Our fire lookouts are credited with keeping most fires small and saving several structures due to their quick and accurate spotting capabilities. The towers fire spotting capability was supplemented by the NH Civil Air Patrol when the fire danger was especially high. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2015 season threatened structures, and a few structures were burned, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

Our Mission Statement

Our mission is to meet the recreational and informational needs of the community in a creative, professional and welcoming manner. The Library will offer diverse resources and provide a community meeting place for people of all ages.

At the Library

We received a mini-grant which pays for one new picture book a month for 12 months from Success by Six a section of the Keene Rotary Club. We also accepted a small grant from C&S Grocers which allowed us to buy new books to use for prizes during the Summer Reading Program. Due to the generosity of the Gap Mountain Lions Club, we are receiving 3 new large print books every month. And thanks to a wonderful patron we now have a Play, Explore & Create area with a flannel board and puppets. Plus our new set of state books for children was funded entirely from donations including those from the Lutheran Church's benefit breakfast.

In May and September every class at Troy Elementary School visited us. It was super fun, and we handed out many Library Cards. This summer we had special programs for the kids from the school's summer program AND Troy's Rec program. We hope to see both groups next summer, too. This summer we also had Wingmasters come for an excellent raptor program. As always our WiFi, fax machine and photocopier are used on a daily basis, and we remain the only place in the community to offer these services.

You Rock!

As my part in helping with the Bicentennial Then and Now booklet, I read through many of Troy's Annual Reports from 1965 to present. What I saw time and time again was the support of Troy's residents for the Library. Whether it was donating books & money, passing warrant articles, volunteering or even using our facilities – the town has been strongly behind us for the past 50 years. I didn't want YOU to think we didn't notice. It warms my heart and confirms my suspicions that you've been there for us because we've been here for you. Let's continue this wonderful lovefest for the next 50 years!

Thank You

The Library really does depend on the support of the community. We thank those fantastic folks who donate money for needed items, books, DVDs, etc. we use in our collection & book sales. We thank our volunteers' selfless donation of time which allows us to hold two book sales a year and helps us improve our library facilities and collection. Finally, we want to officially recognize our trusty Library Board of Trustees – Yvonne Peters, Allan Bailey and Charleen Hoefsmit – who continue to govern the library with a sense humor, duty and good faith. Thank you!

Farewell

It has been my pleasure to be the director of the Gay Kimball Library for the past 10 years. I am shocked to suddenly realize that kids I helped find books for their 4th grade reports are now driving and in college. This is the longest I've ever stayed at any job and that is a true testament to great people of Troy. Thank you everyone for all the wonderful years but especially to those who have served as Library Trustees, volunteered, worked with me or made use of this wonderful institution.

Working to make your life Better!

Highway Department

The winter of 2014-2015 started out slow but once it got going, I think we were getting a storm every other day. The cold weather came in and stuck with us till spring. I myself was ready for spring.

With fuel and oil prices still real high we didn't do a big road project, just shimming some of the stubborn melting spots. We repaired a few culverts. And all of our regular duties.

We replaced the 2007 Dodge Ram one ton. We leased a new 2016 Ford 550 plow truck. We also replaced the 1988 John Deere back hoe with a 2005 New Holland back hoe, that is working out real well. We also replaced the old steel sand spreader with a new stainless sand spreader.

This year with fuel and oil prices down we are hoping to pave a mile of Richmond Rd.

Please join me in thanking my staff, Gary LeBlanc and Mike Jantti for another year of dedicated service.

For Annual Town Report 2015
Monadnock Advisory Commission

The Monadnock Advisory Commission was created by State Statute and is charged to advise and guide the Department of Resources and Economic Development on the management of lands on Monadnock, Gap and Little Monadnock Mountains. State law allows the Commission to accept tax deductible donations. MAC is a primary source for search and rescue supplies and equipment.

At MAC meetings held on February 5th and November 12th at the Jaffrey Civic Center, State Park Manager Elizabeth Kintz reported on attendance and income, trail conditions and upkeep. Phil Bryce, Director of Parks informed us of plans for improvements to Park infrastructure. Peter Palmiotto, Antioch University gave updates on the MERE Project (Monadnock Ecological Research & Education Project). Carrie Deegan,

SPNHF reported on the 10th Annual Trail week projects completed and how the 2014 Trails Assessment guided the focus.

During last winter's heavy snow season, much of the Park staff time was spent cleaning up from the previous storm, preparing for the next, and making sure hikers were prepared for the conditions.

Mid-April saw a visitation increase as the winter's snow melted. As the weather improved, the high use trend continued through the summer, into the fall and all the way through the end of the year. Columbus Day weekend saw some of the highest visitation numbers in the park's history. The three staffed trailheads (Head-Quarters, Gilson Pond Area and the Old Toll Road) saw over 8,000 visitors over the course of the weekend. The year's attendance at those same trailheads totaled 120,000. Fees paid via Iron Rangers at the unmanned trailheads Dublin and Marlborough indicate nearly 700 additional hikers .

The Monadnock State Park staff responded to 21 search & rescues requiring a total of 241 staff hours (the longest taking over 12 hours to resolve). Some of these calls required coordination with NH Fish & Game, DHART, Jaffrey-Rindge Memorial Ambulance Service, Jaffrey Fire & Rescue, area Police Departments, and other rescue organizations.

Troy Recreation Committee

I, would like to thank all of the Recreation Committee Members past and present for all their hard work in making the Recreation Department a success. I would also like to thank Peter Paul for The Samuel E. Paul Community Center for without the Center our programs would not be possible. We have added many new programs this past year and will continue to add more this new year. Our summer program will be longer and better this year, we hope to improve each year. If anyone has suggestions for how we can better serve the Community, please do not hesitate to contact myself or any of the Committee members, I can be reached at 603-313-2243. Like us on Face Book so that you can follow us and not miss an event @ Troy Recreation, Samuel E. Paul Community Center. If you don't have a computer we post in the Troy Town News or look for our signs on the common and about Town.

Thank You, from the Recreation Committee for the opportunity to serve the Town of Troy.

Transfer Station/Recycling Center

In 2015, steel prices dropped to almost nothing. Other prices didn't change much. Our revenue went down but our expenses also did. We work hard with NRRA to find the best markets and the best prices for the recyclables. The numbers don't lie Town of Troy residents are doing a good job at recycling. We had the new overhead doors installed which are making life so much better.

Once again I would like to thank Rod and his staff, Jim, Susan, Dan and also Mike for filling as needed for another year of dedicated service.

Troy Festival Committee

Celebrating and Promoting Community Spirit

The Bicentennial is over and was a great success. Attendance was above and beyond expectations! The Committee would like to thank everyone for their support, the volunteers, and town employees in the community who gave hours of their time to bring the event to fruition. This village is remarkable!

We are now on to a new year and a new committee name, Troy Festivals Committee.

We have a few events planned for the year, the first being a dinner and silent auction on April 16, 2016 at 5:30 pm at Samuel E. Paul Community Center.

The summer will be welcomed with bands on the Common. Dates and times will be advertised in the Troy Town News and the reader board on the Common. Join us.

Our Summer Festival on July 4th weekend will be two days of activities. Friday evening July 1st, 2016 will be food, beverages, and an epic fireworks display. Saturday, July 2, 2016 will be festivities on the Common, crafts, bands, food and maybe a parade.

The Fall Festival will take place on October 8, 2016, it will be our 3rd annual scarecrow event. The Committee plans to fill the Common with music, crafts, food and the creative scarecrows.

Please join us on the third Thursday each month, at 6:30 pm at the Trinitarian Congregational Church. We look forward to all your unique ideas, to celebrate and promote our community.

Troy Historical Society

The Troy Historical Society members began 2015 working with the Bicentennial Committee planning and fundraising for Troy's 200th birthday. Once the celebration was over it was time to turn our efforts back to planning the future of Kimball Hall and the society.

Kimball Hall was closed until April of 2015, the Senior Citizens Group had moved to the new community building, and the big black stove had been moved out of the Kimball kitchen. The electricity and water were turned on and we began making plans to move some of the historical collection downstairs.

A water leak was discovered in the kitchen causing damage to part of the floor and walls. Work has begun to remedy that problem and help make the kitchen more energy efficient.

In the fall, we worked to winterize the building by closing storm windows, and covering some windows with plastic. Also, we put weather stripping around the doors hoping these efforts would save on heat.

We received many donations to the museum. Judy Moran donated several items belonging to her relatives such as a "Crazy Quilt" which is over a hundred years old and a pink tea set that her aunt had brought back from England after WWII. Dave Smith of the "Ole Time Trading Post" donated a large photo of Mt. Monadnock. Dennis Poirier donated several WWII military items belonging to Louis Lagrenade, his great-uncle, teaching materials that belonged to his grandmother, Dorothy Lagrenade, and some Boy Scouts items.

We had several requests to use the materials at the museum for research. One researcher was looking for information on the Mill, others were looking to trace family members. The old town reports came in handy.

The members of the Society would like to thank all those who have helped us have another successful year in "Preserving the Past for Tomorrow."

TROY PLANNING BOARD

The Planning Board's regulatory duties, based on NH RSA 673, include the review and approval of subdivisions, lot line adjustments, and site plan review applications. The Board is also charged with maintaining a Master Plan (last revised in 2007) and other ordinances and policies that purposefully guide land use in Town.

In 2015, the Planning Board had a fairly quiet year in terms of subdivision and site plan review applications, overseeing the approval of only one two-lot subdivision application and holding one preliminary conceptual consultation. However, our attention and efforts were engaged in other areas: participating in conference and instruction on planning and zoning law, learning about and providing comment on the Northeast Energy Direct natural gas pipeline proposal, writing to New Hampshire Department of Transportation about the status of the Route 12 Bypass, and working with Southwest Region Planning Commission to improve safe mobility for people of all ages (including walking and biking). This last item in particular is something we will continue to work on in 2016. Expect to hear more in an upcoming edition of Troy Town News.

Membership of the Planning Board during 2015 included Jon Collins (Vice Chair), Francis Fournier (Chair), Curtis Hopkins, Robert Luopa, Janet McCullough (Alternate), Tom Matson (Selectmen's Representative, Gideon Nadeau (Selectmen's Representative), and Henry Underwood (Secretary).

To schedule a meeting, inquire about an existing ordinance, or locate an application form or other document, please contact the Planning Board Clerk. As a reminder, we meet the first and third Wednesdays at Town Hall at 7 p.m. All meetings are open to the public. Consider joining us for a meeting, as a member, or, as an alternate. Filling vacancies in membership can occur throughout the year, not just at election time.

Respectfully submitted,
Henry Underwood
Secretary

In 2015 the department had 7268 calls for service that number is down by just under 200 calls.

I thank the community for their assistance in reporting suspicious activities/vehicles and people, this has helped the police department very much in solving incidents/crimes in town.

I would also like to thank the people and businesses that have put in camera systems, this has helped the police department very much.

I personally would like to thank all the people and businesses that were involved with the Bicentennial and the Fall Festival, everybody did a great job, I hope that the citizens in Troy all enjoyed themselves.

In 2016 I am looking forward to the 4th of July celebration and the Fall Festival.

On October 16, 2015 the Troy Police Department was awarded the New Hampshire Congressional Law Enforcement Unit Citation Award, this award was given to us for our involvement in the 2014 Keene State College Riot. US Senators Shaheen and Ayotte along with US Representatives Kuster and Guinta presented the award to us.

I was very proud of all my officers during the riot in Keene, great job.

On December 7, 2015 Peter and Kathleen Marrotte and Walter Schubert all of Troy donated a Philips Heartstart AED to the Troy Police Department. I want to thank Peter, Kathleen and Walter very much for this donation. The system will be in the cruiser for immediate access during an emergency. Also on December 7, 2015 all the members of the Troy Police Department were certified in CPR and the use of the new AED. Thank You very much. On February 15, 2016 the members of the police department were certified in First Aid.

Below you will find a sampling of the types and numbers of calls the department handled in 2015.

TROY WATER AND SEWER DEPARTMENT

In the year 2015, the Troy Water and Sewer Department had a busy start with several frozen water services do to a very cold winter and frost as deep as 6 feet. As the temperature started to rise we were out replacing services around town as needed and we replaced 2 fire hydrants on Fitzwilliam Rd. The Water and Sewer Department also applied for a grant from the NHDES to do a leak detection survey as part of our water conservation plan.

The Wastewater Plant was busy as well making sure that we meet the NPDES permit. As part of the NPDES permit we submitted a Collection system O&M plan and we also revised our sewer ordinance. Also as part of or NPDES permit we are required to submit a map of our sewer system in digital format. So to cut cost in having an outside company GIS the system we are doing it ourselves using an app called Water PointNnetwork. It will also allow us to map the water system.

The Water and Sewer Commissioners meet on the second Wednesday of each month at 5:00 p.m., unless otherwise posted. If you have any concerns, problems or questions, you are welcome to attend any meeting, and we will try to accommodate you in any way we can. Please call the office at 242-3890 if you would like to be placed on the agenda for any meeting.

TOWN OF TROY
STATE OF NEW HAMPSHIRE
2015 Town Warrant

Town meeting began with the polls being opened at 10:00 am by temporary Moderator Ralph Heald at the Samuel E. Paul Community Center, for the purpose of electing Town Officers and voting on Zoning Amendments and the School District Warrant. Voting continued until 7:00 pm at which time the counting of the ballots commenced.

The meeting reconvened on Wednesday, March 11, 2015 at 7:03pm at the Samuel E. Paul Community Center to act upon the reamaining articles in the Town Warrant with Moderator Richard H. Thackston III presiding.

Richard Thackston introduced the Boy Scouts and they led us in the pledge of allegiance.

Richard read the results of the voting from yesterday and stated that any time after Friday, the elected people need to go to the Town Clerk's office to get sworn in.

Article 1 -Election of Officers

Selectman for three years	Gideon L. Nadeau Sr.

Library Trustee for three years	Allan Bailey
Water/Sewer commissioner for five years	Bert W. Lang

Article 2 - Zoning Amendments

1. Are you in favor of the adoption of Amendment #1 as proposed by the Planning Board for the Troy Zoning Ordinance?

To amend Article XIV. Paragraph C (3) by revising subparagraph c (now renumbered as e) of the variance criteria and reorganize the remaining four criteria as follows (**bold Italic is new language**)?

- C 3. Variance:
- a. The variance will not be contrary to the public interest.
 - b. The variance is consistant with the spirit of the ordinance.
 - c. Substantial justice is done by granting the variance.
 - d. The values of surrounding properties will not be diminished.

e. Literal enforcement of the provisions of the ordinance would result in unnecessary hardship. For the purpose of this subparagraph, "unnecessary hardship" means that, owing to special conditions of the property that distinguish it from other properties in the area.

I. No fair and substancial relationship exists between the general public purposes of the ordinance provisions and the specific application of that provision to the property, AND

II. The proposed use is a reasonable one.

If the criteria in subparagraph C are not established an unnecessary hardship will be deemed to exist if and only, owing to special conditions of the property that distinguish it from other properties in the area, the property cannot be reasonably used in strict conformance with the ordinance, and a variance is therefore necessary to enable a reasonable use of it.

The purpose of this amendment is to incorporate recent state legislation regarding variances criteria into the Zoning Ordinance

YES 244

NO 76

- 2 Are you in favor of the adoption of Amendment #2 as proposed by the Planning Board for the Troy Zoning Ordinance to add a new paragraph F. to Article XIV - Board of Adjustment as follows?

F. Duration of Approvals: All approvals granted for any special exceptions or variances shall be valid if exercised within (2) years from the date of approval, unless further extended by the Zoning Board for good cause.

The purpose of this amendment is to incorporate recent state legislation regarding duration of approvals into the Troy Zoning Ordinance.

YES 215

NO 64

- 3 Are you in favor of the adoption of Amendment #3 as proposed by the Planning Board for the Troy Zoning Ordinance to amend the Personal Wireless Service Facilities Ordinance by deleting

Section IV,B and replacing with new language, as follows?

B. Removing this language - Co-location of equipment on an existing tower or other structure is strongly encouraged. For such proposals the Board may waive certain performance standards of this ordinance and site plan review submission items that would not apply if no new construction or ground disturbance are being proposed.

B. Collocation and/or modification applications shall be reviewed for conformance with applicable building permit requirements, but shall not otherwise be subject to zoning or land use requirements, including design or placement requirements, or public hearing review, according to the procedure outlined in RSA 12-A:10.

The purpose of this amendment is to incorporate recent state legislation regarding the application procedure for collocation and modifications into the Troy Zoning Ordinance.

PASSED AS PRESENTED

Article 36 - By Petition

To see if the town will vote to oppose installation of a natural gas pipeline by Kinder Morgan because the proposal would adversely affect health and safety, by causing construction materials, soil, dust, and potential contaminants to enter the air, wetland areas, and/or groundwater, aquifers, drinking water, along with residential wells and any run-off or seasonal melts.

PASSED AS PRESENTED

Article 37 - By Petition

To see if the town will vote to oppose installation of a natural gas pipeline by Kinder Morgan because the Town lacks the required equipment or personnel for emergency services to adequately address potential health and safety risks of a pipeline explosion, leak or other installation.

PASSED AS PRESENTED

Article 38 - By Petition

To see if the town will vote to oppose installation of a natural gas pipeline by Kinder Morgan because the proposal is inconsistent with the Town's goal keeping Troy Mills Landfill Superfund site environmentally secure regarding surface water, monitoring wells, wetlands, air and soil.

PASSED AS PRESENTED

The meeting adjourned at 8:54 pm.

Town Clerk

Correction to Minutes of Town Meeting March 11, 2015

Article 3 - Operating Budget Amendment

The original minutes stated that we amended to omit the Police Dept. Cruiser Lease line item and have the \$8,657 come from the Police Capital Reserve instead

because there was not an article to do so. The new Budget Committee figure
\$1,439,915.00

It SHOULD have read:

AMEND: To authorize the withdrawal of \$8,657.00 from the Police Department
Capital Reserve to offset the appropriation. This amendment did NOT
change the Budget Committee figure.
